SUMMARY

I'm a React Developer skilled in building responsive web apps with React and Next.js. Proficient in UI/UX design using Figma for wire-framing and prototyping.

SKILLS

Frontend Development: JavaScript, React, Next.js, TypeScript, REST APIs, Tailwind CSS

UI/UX Design: Figma (Wireframing, Prototyping), Design Systems, Accessibility

Tools & Workflow: Git, GitHub, Vercel, Netlify

Soft Skills: Creative problem-solver with strong communication and adaptability.

EXPERIENCE & PROJECTS [All projects are showcased on my website](#)

Surfe - Search engine

Developed using React and Next.js with API integration, Suspense for data fetching, and secure API key management.

Crumbs - Movie and TV Shows Discovery

Built using React and Next.js with TMDB API, featuring search, trending content, and dynamic routing for a seamless experience.

Flowe Inc - Financial Dashboard

Developed a premium dashboard with role-based access, transaction search, and filtering using mock REST APIs for realistic data handling.

Ripple News

Built a region-based news platform using REST APIs to deliver real-time breaking news and personalized highlights.

Seed - Landing Page

Built with React and Next.js, featuring Framer Motion animations made a clean and minimal homepage, showcasing reusable components and modern layout design.

Squares & Tenzies - Games

Two fun and interactive React-based projects. Squares showcases dynamic UI with state logic, while Tenzies is a dice game leveraging React hooks like useState and useEffect.

Portfolio Websites

Built with React and Next.js, featuring Framer Motion animations for 40% longer session times and dynamic imports for 25% faster load times.

UI/UX Design Projects

iOS Weather App and Travel Booking App (Figma)

CERTIFICATES

Advance React Certificates - Scrimba

Next JS Certificate - Scrimba & Udemy

Figma Web Design / UI Design - Awwwards.com & Udemy

EDUCATION

Bachelor of Technology in Computer Science

Hyderabad Institute of Technology and Management (HITAM)

Specialization: Computer Science and Engineering (2020 - 2024)
